stances above set forth, there are no means left at their disposal to meet the additional allotment applied for except the reduction of these charges.

The Board unanimously resolve that the Government be moved to sanction the transfer of the cost of the Police establishment to the Imperial Revenue Budget whereby great relief will be afforded to the Municipality. They are in hopes that with the Police charges thus saved and with the fresh items referred to in Resolution 12 they will be able to pay adequate attention to the requirements of the town, in the way of conservancy, roads, lighting, &c.

The Board are aware that a similar representation made in 1882 was negatived by the Government in its Proceedings No. 7312—316, dated 3rd March 1883, but the Board are in hopes that when the narrowing resources of the Municipality and expanding calls on its funds, as set forth in these proceedings, are considered, Government will be led to see that the present request is not unreasonable.
